

Humane Society of McDonough County

The Organization

In 1984 the HSMC was officially incorporated as a State of Illinois Not for Profit organization and became a qualified 501 (c) (3) charitable organization in 2010. We support the McDonough County Animal Shelter and partner with them in providing for the care and placement of homeless animals. However, we are a completely separate, all volunteer entity.

Kevin

Kevin is a charming 2 year old Border Collie/Lab mix. He is said to live well with cats and enjoys most children. He would probably be fine with other dogs, if introduced properly.

Fred

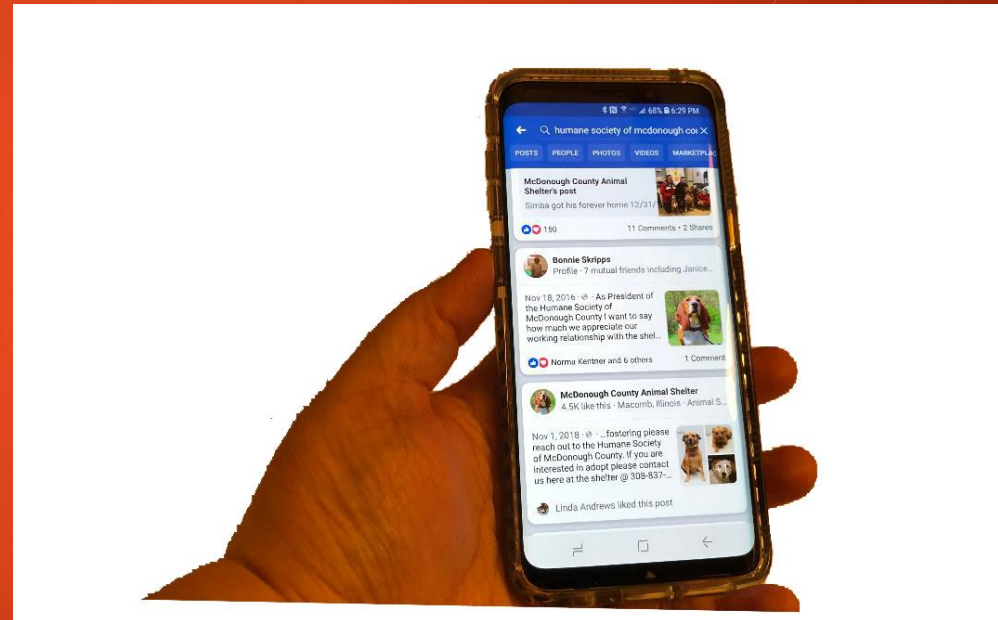

Fred is one of the sweetest he had lived on the streets for a time. Fred loves his catnip toys!
